This information includes the child's name, address, parents' names, grade, date of birth, birthplace, picture, and attendance report. **If you do not want part or all of this information made available, please put this in writing to the attention of Mr. Kampmann, Riverside Principal.**

## EARLY RELEASE

Tuesday, September 20, is an early release day for students. Students will be dismissed at 12:00 noon. Lunch will be served to students prior to dismissal.

## SALAD BAR LUNCH OPTION

Our 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> grade students will have the option of a salad bar on the 1<sup>st</sup> and 3<sup>rd</sup> Thursdays of the month. In September, we will be offering the salad bar option on Thursday, September 15, only. The salad bar will include a variety of protein items, vegetable items, and condiments. A breadstick and choice of milk will also be available for students. Students will need to order this option on the Monday of the week it is offered.

### **5-Day Rotation Schedule**

Students will be on a 5-day rotational schedule for special classes, including physical education, music, art, library, computer and guidance. A calendar of the rotation schedule is posted on Riverside's webpage.

### **A Message from the Principal**

Dear Riverside Families,

We have had a wonderful start to the 2016-17 school year. I am excited to have our students and staff return for a new year of learning. Over the summer we had been very busy making improvements to our building and our staff participated in numerous professional development opportunities.

This summer our teachers learned about a way to systematically teach writing that will provide consistency across the grades in our school and throughout the district. We are excited to implement the curriculum and see our

students increase the amount they write and the quality of their writing. Our hope is with this focus on writing our students will increase their skill level and develop pride in their writing which will lead to increased enjoyment. We will share more with you throughout the year about what we are doing in writing and more importantly how the kids are doing.

I would also like to encourage parents to become involved or help out in any way they can in our school. You can do this by signing up to volunteer on SignUpGenius which is posted on our Riverside homepage, volunteering in your child's classroom, helping with clerical tasks, or participating in the Riverside PTO. If you would like to get involved with our PTO you can attend any of our meetings on the second Monday of every month at 6:00 in the Riverside IMC.

We are looking forward to working with you to provide the best educational experience for your child.

Sincerely,  
Kevin Kampmann

### **PARTY INVITATIONS**

Please do not bring or send invitations to parties (or party thank-you notes) to school with your child. This creates a situation where the feelings of others can become hurt and it is also a distraction to the purpose of school. Please use the U.S. Postal Service for sending invitations.

### *Please Join us for Mornings with Mom and Daybreak with Dads*

On September 27, we will be hosting a “Mornings with Mom” event and on Thursday, September 29<sup>th</sup>, a “Daybreak with Dads” from 7:45-8:25 am. Riverside students will have an opportunity to spend time before school with their Mom, Dad, (or other significant person) before school begins. Enjoy a fun morning with donuts, coffee, milk, and awesome company! Afterwards, students can give their special guest a tour of the playground or their classroom.

Please note that during the school year there will be days when there will be **no school** for students or they will be released **at 12:00 Noon**. ## PLEASE NOTE

- **Attendance:** When a student is absent, a parent should call school by 9am to report their child’s absence.— 715.359.2417, press 1 for attendance voicemail. For doctor or dentist appointments, please bring a slip from the Dr.’s office to have the absence considered as a medical excuse.
- **iPads & Textbooks:** All iPads and workbooks needed for the education of your child will be furnished by the school district. These items, and all other school property, are to be handled with extreme care by the students to ensure long use. Any property that is damaged by a student will be replaced by that student at his/her expense.
- **Student Arrival:** Students who walk to school or are driven by parents should plan to arrive to school no earlier than 8:25 am. Doors will remain closed until that time. Students will not be permitted to go to the classrooms/playground

earlier since, prior to that time, teachers are not available to provide necessary supervision. School begins at 8:42am.

- **Student Dismissal:** When picking up your child at the end of the day, be sure to sign out your child at the podium in the lobby or at the office. Please wait in the lobby until classes are dismissed. For the safety of our students, parents are not to wait in the hallways for their child. Students must leave the building at the end of the day through the front door entrance.
- **Alternate Pick-Up Plans:** Please be sure to send a note to your child's teacher if there will be a change in transportation for your child after school. It is very important for the teacher and child to know after school plans. It is difficult at the end of the day to contact teachers and students for last minute changes. **All students will be put on their regular bus at dismissal time unless they have a note with alternate instructions.**
- **No Animal Policy**—Animals should not be brought on school grounds. We have students with allergies and we also have this policy for the safety of our children. We cannot anticipate how an animal will react to an individual. We also want to keep our school grounds clean since children play on our grass.

The cost of their meal is deducted from their lunch account.

## SMART SNACKS IN SCHOOL

The D.C. Everest District is implementing the USDA (United States Department of Agriculture) Smart Snacks in School initiative.

### For any foods BROUGHT to

**school:** This includes birthday and other food items brought to school by students, staff, or parents. Our policy states that in order to

prevent possible food contamination or food-borne illness, foods brought for classroom distribution by students or staff must be commercially prepared and in the original packaging. Any food items brought to school that do not meet these requirements will not be distributed. So, birthday treats are still welcome, but must be purchased (not baked at home) and in original packaging.
